

THE 1965

Indian

Now that we have reached the end of our senior year, our high school education has ended. For some, new fields of endeavor will open as these seniors pursue their college educations. For others, with their days of formal education over, the business and industrial world lies before them. Before we assume these new roles in life, we should stop for a moment to evaluate and reflect upon these past four years. Have we given wholeheartedly of our talents to the opportunities that Arlington High School has presented? Our scholastic endeavor and participation in extra-curricular activities have offered us a wide range of experiences. If we have not done so, there will always be a missing fragment in the intricate pattern of our lives. Our high school years have been four of the most important years we shall ever experience, for they are the link that connects our fanciful childhood years with the adult years of emotional maturity and seriousness of purpose. The point that we must now keep uppermost in our minds is that no matter what path we choose to follow after graduation, our success will rest heavily on how much we have given to and taken from the high school treasure chest of enrichment.

In Memoriam

RICHARD SIMMONS DERBY

1947—1965

Dick was young, just in his prime;
Why he left, we'll know in time.

He has gone on, but not to an end,
To something sublime, we can't comprehend.

He's learning how far the universe goes,
And why there's beauty in every rose.

Wherever Dick is, he is not alone;
God loves us all; He cares for His own.

V. Z.

CLASS HISTORY

Entering Arlington High as freshmen with four long, hard, enjoyable years ahead of us, the class of 1965 expected much from the high school that was to shape its future, both educationally and socially. Certainly, our expectations were realized and surpassed even in the first year. With a broadening of high school facilities, an electronics course was then opened to students of the technical school. In the field of mental exercise, Arlington High also offered a new stimulus—the debating club. During that very first fall, the football team awed the whole student body with its accomplishments as state co-champions. Neither were we less excited and proud to view the productions of the dramatic club, *Our Town*, and that of the Gilbert and Sullivan Club, *The Blue Star Review*. By spring even more honor was heaped upon our school: we had among our seniors, the winner of the National Home-maker of America Contest. With pride bursting within us and the expectation of joining the new Arlington Teen Club, in our status as sophomores, we went our separate ways for the summer—only too eager to become in the fall the upper-lower classmen of Arlington High.

Our sophomore year, too, was filled with diversified activities. The Gilbert and Sullivan Club celebrated its twenty-fifth year with the outstanding production, *Iolanthe. A Midsummer Night's Dream* was the Dramatic Club's fine presentation for 1963. The Debating Club entered the Greater Boston Debating League. The members sponsored an oratorical contest and were proud to have two students appear on television as representatives of their club. In the intellectual field, the Math Team and the Chess Club also completed a year of keen competition, and the Science Club held its fourth annual Science Fair, the results of which were most successful.

The high school band entertained us with a series of professional performances. With its newly formed group of Samettes, the band added greatly to our school spirit at football games. Students cheered with our vivacious cheerleaders through basketball and hockey games as well. We boasted of our fine athletics program including track, baseball, softball, golf, field hockey, bowling, and tennis. The second annual gymnastic show with its men-in-silver was an accomplishment of which we were truly proud.

Allied Youth held its traditional International Convention at Buck Hill Falls, Pennsylvania and the Northeast Regional Convention here at Arlington High.

As the year of honors, activities, and accomplishments ended, students sadly bade farewell to principal, Mr. Downes, and warmly welcomed his successor, Mr. Locke.

Returning for our junior year as upper classmen, we heartily welcomed our new principal, Mr. Locke. We began the year as the new freshman building addition began to materialize. Within a few weeks, the mighty Spy Ponders of Arlington High School took the gridiron, fought through a difficult season and finished with a creditable record of more wins and ties than losses. The Dramatic Club chose as its third production, *The Teahouse of the August Moon*, and it was indeed amusing and professionally done. As cold weather and bleak skies made winter a reality, our hopes of winning the G. B. I. hockey title became more than dreams. Our illustrious sextet, in doing so, finished with a record of twelve won, one lost, and one tied. Nor did they stop at this alone but went on to capture the State

Championship, our fourth and more than any other team in the state. In the final game of the New England Championship, Arlington was finally defeated in a real contest of ability. We shed our tears proudly as our boys accepted the runner-up trophy. After the hockey frenzy had ended, the Gilbert & Sullivan Club stole the spotlight and presented its tale of royal confusion, *The Gondoliers*, to packed houses. Meanwhile, the basketball team went through their season which found them noticeably stronger at its conclusion. Allied Youth, journeyed to St. Alban's, Vermont, for the Northeast Regional Convention. Considering our mental endeavors, we were pleased that our chess team won its second consecutive G. B. I. championship, and its fourth in five years, by crushing all opponents. The debating team received much attention because of an appearance by several of its members in a televised discussion; and our math team, in its third season of competition, earned a fine enough record to tie for second place in this region. The annual Science Fair, the science club's principal attraction, produced many winners who presented a great variety of projects. The heady fragrance of new grass and flowers turned our attention to the joys of Nature in the spring, as well as to baseball, track, and tennis. The results of all pointed toward real greatness in our senior year. Needless to say, the girls worked as valiantly as the boys in the girls' sports of field hockey and tennis. Gradually, the remaining portion of our junior year slipped from our grasp. With the graduation of the seniors in early June, we finally emerged at the pinnacle of our high school status.

Our senior year was one which we will never forget. With the pressure of split-session school days, preparation for College Board Examinations, and pending college acceptances, we plunged into senior activities with all the vigor we could muster.

We cheered our football, hockey, and basketball squads through a courageous season of competition. The girls' field hockey team completed an undefeated season for the first time in eight years. We were equally proud of our track and cross-country teams this year.

The Gilbert and Sullivan Club presented a fine show, *H. M. S. Pinafore*, while the Dramatic Club successfully produced the satirical comedy, *The Mouse That Roared*.

For the first time in the history of our post, the Allied Youth International Convention was held in Washington, D. C. Perhaps this change from the traditional trip to Buck Hill Falls in Pennsylvania will set a precedent for future years.

Two new clubs were formed in 1964, the Ski Club and the Spanish Club. Each had been established in previous years but had not been successful until our senior year. Both clubs were supported with enthusiasm.

Our studies and extra-curricula activities meant so much more to us as seniors—perhaps, because this was our last year at Arlington High. We had grown to love and appreciate our curricula, and we had to spend our last months of high school with an extra burst of energy and spirit to demonstrate how we felt. Senior week activities, the prom and graduation, will always be happy, sad, gay, and tearful memories for us; but our four years of high school will be more than mere memories. These years will be reflected in our future thoughts and actions, in our disappointments, and our successes.

ALLIED YOUTH

Virginia M. Hutchinson
Sponsor

This year has been a time of rebuilding and reorganization for Allied Youth in Arlington High. The past few years have been a period of transition throughout the Allied Youth organizations in the Northeast Region as well as internationally; the result is that many changes have occurred, a large portion of which show greatly in our own post.

It's been an active year, combining service projects and social affairs with a program of education on such subjects as alcohol, narcotics, and dating. The post had meetings with panel discussions, speakers, and films; several very successful dances; and various projects. These projects included helping with charity collections, Christmas caroling, and preparing a Christmas welfare package for a needy family, an A. Y. Open House, a movie, and an auction.

Two of the most important events which highlight the year for any A. Y. post are: The International and the Regional Conventions. Thirty-four Arlington members attended the International Convention in Washing-

ton, D. C. in December and returned home with enthusiasm, eager to strengthen A. Y. at our post and organize the greatest Northeast Regional Conference ever. As a result of this interest and the efforts of the members of the whole post, we held a very successful and productive Regional Conference at Arlington High on Friday and Saturday, April 23 and 24.

Throughout the year, A. Y. in Arlington High has worked to project the true idea of Allied Youth and the purposes of the organization. We have tried to fulfill our goal of helping to prevent alcohol problems by providing education on the subject for high school students, so that they might make an intelligent decision regarding the place, if any, that alcohol has in their lives.

Allied Youth has had a wonderful year. We will always remain grateful to our advisor, Miss Hutchinson, for her help in making this year a successful one. To Mr. D'Antona, freshman advisor, we also extend our gratitude.

FUTURE HOMEMAKERS OF AMERICA

The goal of the Future Homemakers of America, a national organization of students studying home economics, is to help individuals improve personal, family, and community living, both in the present and in the future. Its motto, "Toward New Horizons", is a challenge reminding members that their contributions to home life today will influence the kinds of homes they have tomorrow and the family life of members will influence the local community as well as the world.

It was another active year for the Dramatic Club under the leadership of our Faculty Director, Mrs. Elizabeth W. Sampson.

Leonard Wibberley's humorous and satirical play, *The Mouse That Roared*, was chosen for this year's annual Dramatic Club production. The action of the entire play was centered in a small, inconspicuous, European country that declared war on the United States, fought an authentic battle with bows and arrows, and finally succeeded in winning the war. Mrs. Sampson's excellent coaching was plainly evident in the work of the enthusiastic cast of players. They presented this play in a convincing manner and with excellent timing.

Special credit must be given to Christopher Simonds, (Tully Bascom), who greatly added to the success of this year's production.

The Dramatic Club, at the time of the yearbook's publication will have presented a one-act play at the Massachusetts Drama Festival. Winners of this contest enter the state finals held at John Hancock Hall. From here the winner participates in the New England Festival. The Arlington High School Dramatic Club cast will assuredly give a creditable performance.

NATIONAL MERIT SCHOLARS

The National Merit Scholarship Corporation is an organization concerned solely with scholarships and as a result of an intensive testing program, one Arlington High School student was selected as semi-finalist for this program. His distinguished performance on these nation-wide selection tests has brought great honor to the Arlington High School.

Eleven additional students have been awarded Certificates of Merit by the National Merit Scholarship Corporation for excellent performance on the selection tests.

The *Chronicle* continued this year both to inform and entertain Arlington High School students. An able staff, under the direction of our faculty advisor, Mr. Sampson, organized the production of the publication, and this activity, opened to the entire student body, again received the support of many talented people. Over two hundred conscientious writers, typists, artists, advertisement workers, and sellers contributed ideas and vigor to the paper.

In addition to presenting everything from cartoons to creative writing to factual reporting, *Chronicle* workers are also given the opportunity to attend press conferences and to celebrate as the highlight of the year, at the *Chronicle* banquet. At the traditional spring banquet, the next year's editorial staff are introduced and the identity of that wise old woman, Aunt Minerva, is finally revealed.

As always, this year's *Chronicle* continued to offer satisfying accomplishment and fun to its workers and to serve its readers.

CHESS

Under the direction of Mr. Sampson, the Chess Club has met each day after school in Room 5. Everyone has been welcome to come in and enjoy the pleasures of chess.

For the past two years Arlington, in having won the championship of the Greater Boston Interscholastic Chess League, has emerged undefeated in two seasons of competition. The team has maintained its strength in the 1964-1965 season.

The members of the team include: Harry Pugh, Ronald Rizzo, Stanley Zdonik, Milton Jay, Martin Langer, Kenneth Melville, Philip Goduti, Kenneth Sateriale, Glenn Mangurian, and Steven McLean. Ronald Rizzo, Stanley Zdonik, Milton Jay, Martin Langer, and Kenneth Melville have been "doing battle" on the sixty-four squares for four years.

All the members of the club are proud of their organization and appreciate Mr. Sampson's patient guidance.

The student council of Arlington High School, under the direction of Miss Binnig, worked very diligently throughout the 1964-65 school year. They were successful in serving as a liaison between the students and the faculty and in implementing the full-scale activities of the school, chief among which was the collecting of funds for the different school projects; such as, Jr. Red Cross, senior caps and gowns, yearbooks, selling A.H.S. book covers and folders, arranging the annual Jr. Prom, and planning the traditional Sr. Prom.

Student council members also staffed the buildings on Parent Visiting Nights in November to act as guides

for parents around the buildings, a duty which they also performed again in March for the Adult Education Exhibit.

The members also sponsored a student-faculty basketball game, an activity which has always been a favorite at Arlington High. This year the money that was raised was used to benefit the whole student body.

Looking back over all the work and all the fun, the student council knows that they have concluded a very successful year, and that they themselves, as well as Arlington High School, have gained a great deal from their efforts.

PROJECTION CLUB

The Arlington High School projection club, under the supervision of Mr. Fagone, functions in the operation of many types of movies, as well as in the use of sound and reproduction equipment.

In this year's club, there are about fifty members who are more than willing to forfeit their study periods in order to learn to operate these machines.

The primary function of the club is to operate the machines for the teachers who find visual aid teaching devices helpful in their classes.

The movies can express, sometimes in a matter of seconds, a point which could possibly take endless lessons to explain.

The club also has control of special services; such as, the lighting for the school's auditorium. The hall has been equipped with a General Electric control panel, a type which is used in many professional theaters. There is also a sound control cabinet which has a built-in tape recorder, phonograph, amplifier, and microphone mixer. Learning to operate these units is optional for the club members; special training, which is provided the members for every machine at the beginning of the year, as a club policy, is required.

The projection club is a very useful and busy organization which enjoys the benefits of a hard year of work, as do most other clubs, and ranks among the most popular.

With freshmen joining our ranks for the first time this year, the size of the Library Corps has almost doubled, and we have been busier than ever. The desk had to be manned during the afternoon session first semester; then later, the new freshman library had to be staffed; hence, the increase in membership was inevitable. In addition, several thousand new books had to be stamped, pasted, and covered with plastic jackets. There were no idle hands!

Nevertheless we continued to run the paper back book store, which we consider to be a real service to students and teachers although it requires constant attention; nor did we neglect the Book Fair, our annual

spring event, when all of the English classes file through to browse and to buy from the thousands of titles. At least a month's preparation always goes into this project. A theme is used in the decoration of the library; books must be selected and ordered; publicity and finances must be taken care of. The preparations, however, are exciting and we always get our great satisfaction from the enthusiasm of our customers.

It was, thanks to the proceeds of the Book Fair, that we were able last summer to buy draperies for the entire library in Building A, adding warmth and beauty to the atmosphere of study and research.

This year the French Club has had plans for a full and varied program. All meetings have been conducted in French. Various projects will be introduced to give the club members a realistic picture of France and its people. Committees have been given different assignments for group discussion and club entertainment.

Whenever it has been possible, French speaking

guests have been invited to give informal talks on France and its way of life.

The highpoint in the club's activities featured "Une Soirée" at one of the outstanding French restaurants in Boston.

The French Club has had a very successful year.

The Spanish club provides its members with an understanding of Hispanic life and an appreciation of Latin American culture.

Enthusiasm, interest, and planning by our officers has made the club a very successful organization.

Spanish-speaking visitors have been invited to Arlington High School to speak to our members about

teenage life in South America and about the differences from our way of life.

A Christmas fiesta with typical Spanish flavor was held this year. The traditional piñata served as a climax to a fun-filled evening.

We are looking forward to many more exciting and interesting meetings this year.

INTERNATIONS CLUB

The Internations Club is open to all students interested in studying about foreign countries, in studying problems of relations between countries, and specifically in studying problems of American foreign policy toward various foreign countries. The program is flexible; any student interested in any aspect of international relations can find some members or similarly interested individuals.

During the year, the club invites speakers from vari-

ous foreign countries to describe their countries; it holds study-workshops to discuss selected foreign countries; and it asks experts occasionally to describe and explain technical aspects of certain foreign policy problems; such as, foreign trade.

All students interested in careers in foreign countries or in the foreign service of the United States would enjoy being members of the club.

JR. RED CROSS

There are many activities in Arlington High School, and one of them is performed by representatives on the Greater Boston Executive Council for Junior Red Cross. This year two representatives of our Junior Red Cross were chosen: Gail Brown and Roger Homer. On the first Friday of each month, they attended the meetings at the Chapter House in Boston. At these meetings there was an opportunity to become acquainted with other representatives from over sixty towns and cities, who came from a distance of thirty to forty miles to attend. At each meeting another phase of the Junior Red Cross work was discussed; such as, water safety, first aid, and disaster service. The meetings were also made interesting by movies, speakers, discussion groups, or purely social events.

The monthly meetings were informative and enjoyable; moreover, they opened doors to new activities. Many representatives participated in the bloodmobiles; others took the bloodmobile training course; and still others volunteered in hospitals, rest homes, and various public institutions. Many of the students helped during the Christmas season by distributing Red Cross contributions throughout their area. Other important activities were: the paper back book drives, enrollment contests, and the publication of the *Newsletter*. As one can easily see, being a member of the Junior Red Cross means more than just making a collection once a year, and Arlington High School is proud to be represented.

DEBATING CLUB

The 1964-65 Debating Club has had an active and a profitable year. Membership in the National Forensic League, the Massachusetts Secondary School Speech League, and the North Shore Debating League brings the Club in competition with top schools in the New England area and enables students to participate in numerous conferences dealing with the topic, "Resolved: That Nuclear Weapons Should Be Controlled by an International Organization."

The interscholastic debates have promoted a spirit of sportsmanship and broadening perception of others' views. Participating in debates has helped members to develop the art of persuasion and the skill of logic.

Long hours and feverish research have resulted in a sense of accomplishment after a job well done.

During the debate season, which lasts from October through April, membership reached a new high. Several excellent novice teams, composed of underclassmen, indicate that the fine record of the varsity will be carried on in future years.

Under the able guidance of Ruth-Ann Hilferty, President, the Club was host to an invitational Debating Tournament. Credit for a successful year also goes to the following senior members: Martin Langer, Milton Jay, Ronald Rizzo, and Maria Bottoni.

V.A. HOSPITAL VOLUNTEERS

Every Tuesday a group of students perform a host of duties at the Bedford VA hospital working with nurses and technicians in social service, manual arts therapy, educational therapy, the library, the pharmacy and the important rooms set aside for occupational therapy. Others do clerical work in the dental laboratory and in the hospital's general office.

This experiment has turned out to be very satisfactory and important according to Mrs. Turner who has charge of the volunteers and Miss Rebecca Glassman, the hospital's chief social worker.

SCIENCE CLUB

The science club is now in its sixth successful year of operation at Arlington High School. At the Greater Boston Regional Science Fair, we received two third awards and a special award for our Engineering exhibit. At the State Science Fair at M. I. T., we were awarded a third prize and an honorable mention. The club is proud of these honors and looks forward to another year of successful science fair participation.

The major project of the club this year has been to revamp the weather station and to work in the field of weather forecasting. Our amateur meteorologists have been doing a fine piece of work and have even employed the use of computers in this field of science.

The science club continues to be among the most progressive clubs with much potential for the future. Certainly in this age of emphasis on space and technology it occupies an important place in our school.

The Arlington High School Science Quiz Team has been organized to promote interest in the fields of science among students. Team members are selected on the basis of examination.

The team is captained by Stanley Zdonik. Other members include: Donald Buffum, James Fratello, David Grano, Charles Pidano, Ronald Rizzo, Marilyn Sprinkle, and Philip Thayer.

In its initial competition, the Arlington team defeated Wellesley by a close margin in a televised program on Channel 5's *Dateline Boston*. During the year Arlington also met Reading High in another televised quiz on *Dateline Boston*.

The team had a successful year and valuable experience.

MATH TEAM

The math team is an organization that was formed to offer an opportunity for five students from each school in this vicinity to meet and compete in a contest involving mathematical skills. Each participant enters three of the five categories that are available and takes three ten-minute written quizzes pertaining to the subjects that he has selected. After these tests have been completed, the team is given one difficult problem which it attempts as a unit to solve. For the past two years, Arlington High School's Math Team has participated in the play-offs that are held at the end of the year. The faculty advisors are Mr. Sampson and Mr. Eaton.

Automation, as we all know, is playing a very important part in our society. With all the changes that are taking place today, the Manual Arts Department also had to make changes in order to keep abreast with industry. Since the colleges are spending less time now teaching basic techniques of mechanical drawing than they had in the past, our department as a result had to gear our program to meet this need. The students are now getting a wide background in mechanical drawing in order for them to undertake the advanced work successfully in college.

In the days when home industry flourished, children were required to take part in the construction and the assembly of products. They watched and aided adults making many things and as a result learned through the making of things. Today children have very little opportunity to familiarize themselves with making things in the home. The Manual Arts Department tries to furnish students the opportunity to learn through the planning and the constructing of interesting specific objects. Pupils have the opportunity to work with textiles, metals, electricity, wood, ceramics, photography, leather, printing, and other materials. We, in our school, are very proud of the Manual Arts Department and its achievements.

When we entered Arlington Technical High School in the Fall of '61 we were the first group to undertake a new four year course. We were in three groups: electronics, machine shop practice, and automotive repair. Much time has passed since then, and now we feel that we have gained a solid fundamental background in these respective fields. We have received excellent instruction and worked with the finest of equipment. We feel that the school has implanted basic skills and instilled in us good working habits and attitudes.

During our stay in school we saw the installation of much new equipment and the addition of more faculty members. The reputation of the school was good. Many boys from nearby towns sought admission. We liked the alternate class-shop week program. We put the theory and science of the classroom into practical demonstration in the shop.

We sought perfection. We attempted to meet commercial standards. Our field trips were interesting and profitable. We compared the worker's world with our own. As a result we achieved a feeling of confidence and satisfaction. We now feel ready to take our places in industry.

Graduating now, we will seek many different paths of endeavor. We accept the challenge. We know we have much to offer society. We are fully aware that on that solid foundation we have built, there must be constant desire and determination to improve and perfect. The world we live in is in constant change. So must attitudes and skills.

LATIN CLUB

In accordance with their motto "Si Deus nobiscum, quis contra nos," the members of the Latin Club have forged ahead in their enthusiasm to make the classics a prominent and living factor in their lives. Meetings, held on the second Monday of each month, are very capably handled by Consul Primus David Tee and his other officers, and they show a great amount of imagination and preparation. To celebrate Thanksgiving Roman style, priests and priestesses in traditional costumes performed a sacrificial ceremony making offerings of the season to Ceres, the goddess of Harvest, and Bacchus, who represents wine and pleasure. At another meeting Andrea Hintlian, a graduate who toured Europe last summer with the Junior Classical League, gave an illustrated lecture. In addition to this, there have been several very profitable trips to the Museum of Fine Arts, to the Fogg Museum, and to the Gardener Museum.

The highlight of the entire year is the annual Roman banquet. Here, in the manner of their ancestors, the members don togas, recline on couches, and engage in stimulating conversation while they appease their appetites with Roman delicacies. The excellent supervision of Miss Rounds as well as the silent encouragement and advice from Cicero, Aesculapius, and Virgil (the Club's much-treasured busts) have contributed in an important way to making this year another very successful one for the Latin Club.

"Home Band of the Brave"—is the slogan of our marching band. Combining a patriotic thought from our National Anthem and recognizing the Menotomy Indian, the school symbol, the Arlington High School Band wearing "Uncle Sam Hats", his dancing daughters the Samettes, and the Majorettes represent the school and the community at every half-time ceremony during the football season.

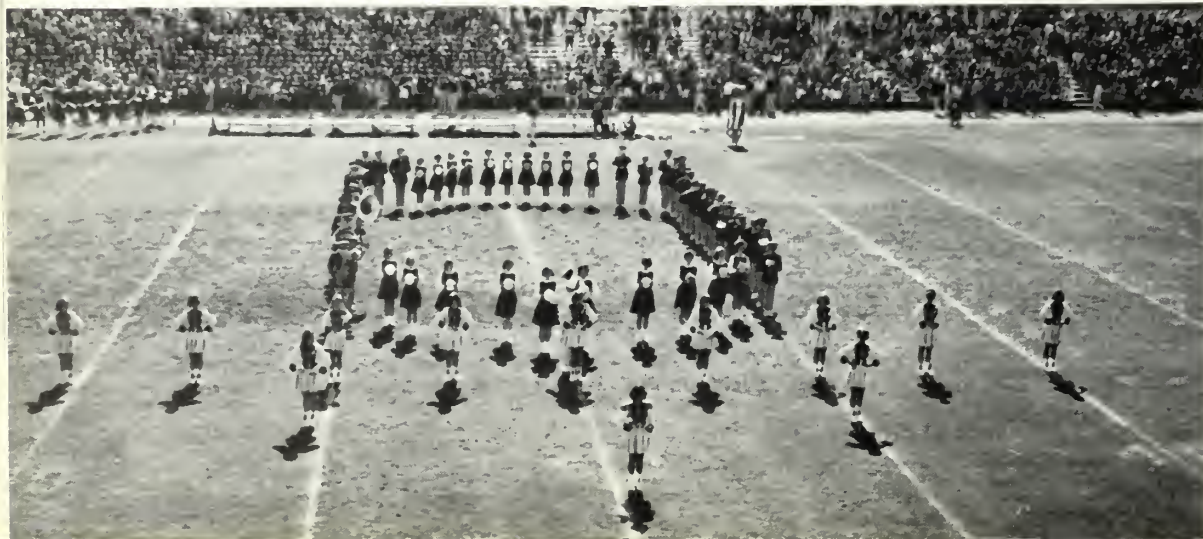

Our band has won the distinction as being "the show" band among all others met during the past few years.

There are those memories which only band members can share—the Big Brass band newspaper, the annual band party at the Holdsworths, and most of all the knowledge that the performances were better than those of the competition.

Following the football season the band undertakes a rehearsal schedule which prepares the group for concert appearances within the community and at neighboring schools.

As seniors, we can well appreciate the tremendous efforts of Mr. Laman, Band Director; of Mr. Thebodo, Assistant Director; and of John Kendall, Drum Major who has competently conducted the band over the past three years.

The band has been and will continue to be one of Arlington High's most active and spirited organizations.

ORCHESTRA

The Arlington High School Orchestra is kept busy throughout the year performing for the Dramatic Club Play where "Sound of Music", "Concertata" and "Variations of a Theme by Haydn" were heard; and for the Christmas assemblies where Handel's "Hallelujah Chorus" was accompanied by a full orchestra for the first time in several years. The Gilbert and Sullivan "H.M.S. Pinafore" performances proved

challenging, and the demands placed on the orchestra in preparation for the exchange concert at Wakefield High School, the Arlington Woman's Club, and the Spring Concert rounded out a full orchestral season, rich in varied musical experiences.

Under the direction of Mr. Laman and Mr. Einzig we can all sincerely express our deep appreciation for their patient guidance and direction.

GIRLS' CHOIR

The Girls' Choir, made up of girls who have had one year of Girls' Glee Club, is under the direction of Mr. McElhiney. Throughout the school year, they take part in assemblies, exchange concerts, and graduation exercises. This year, they sang at Stoneham High School; and two years ago they entertained the students at Wakefield. During the past four years, the choir has also sung at Melrose and Natick.

Although most of the girls prefer popular music, they include spiritual, religious, folk, and secular music in their programs. They have proved to be a constant source of enjoyment to their audiences and have gained satisfaction and have had many good times as a result of their participation in the Girls' Choir.

DANCE
BAND

Row 1: S. Sharp, D. Ryan, T. Kelly, P. Thayer, J. Baker. Row 2: C. Gallozzi, Richard E. Laman, *Director*; R. Traverse, P. Collins, D. Duffy, A. Sherburne, P. Souza.

The dance band which rehearses during after school hours offers musical expression to the jazz-inclined Arlington High School musicians.

The group has entertained untold hundreds of students at various high schools, performing in exchange concerts and at special programs at A. H. S.

The joy of playing authentic big band dance arrangements is one that the senior band members will long remember.

Our gratitude and appreciation is extended to Mr. Laman who has inspired and directed our group from its inception in 1960.

GILBERT and SULLIVAN

Row 1: N. Truelson, *Accompanist*; M. DiFranza, *Secretary*; L. DeFrancesco, *Asst. Accompanist*; A. Fallon, *Treasurer*; G. Symonds, *President*; M. Abruzzese, *Librarian*; P. Macy, *Asst. The Gilbert and Sullivan Club is one of the most active of Arlington High School's musical organizations. Its success can be largely attributed to the responsible and skilled leadership of its advisor, Mr. L. Hassler Einzig.

Whether on the stage or behind the scenes, each member of the club is afforded the opportunity to participate, in some way, in the show given every year.

During our freshman year, we presented "The Blue Star Revue of '62." Our first Gilbert and Sullivan operettas, "Iolanthe" and "The Gondoliers" were staged in our sophomore and junior years respectively. This year, as seniors, we participated in "H.M.S. Pinafore."

Members of the G & S Club have gained many fond memories and treasured friends. The rehearsals, the final show, and the cast parties will never be forgotten.

Row 1: N. Truelson, *Accompanist*; M. Abruzzese, A. MacFadyen, C. Dowd, J. MacFadyen, A. Wharton, J. Kavanagh, M. DiFranza, P. Macy. Row 2: N. Jacobsen, L. Roghaar, K. Balzer, S. Banks, L. Holson.

HARMONETTES

The Harmonettes have gained immense popularity over the last decade. This year, this unique singing group of twelve especially chosen and talented girls, as well as three substitutes and an accompanist, is under the competent direction of Mr. Laman. Performances have been made by the Harmonettes at various school and social functions in Arlington; such as, the Women's Club, dances and dinner parties, and the Arlington Rotary Club's Christmas Dinner. There is no doubt that the responsibility acquired in being called a "Harmonette" is a pleasurable and rewarding experience for every girl.

Head Cheerleaders: K. Balzar, B. Guiney; B. Dutton, P. Heaslip, D. O'Flaherty, M. Karagianis, S. Stiles, M. Keating, C. Berg, J. Kimball, M. Sheehan, V. Zucker.

CHEERLEADERS

The Cheerleaders of Arlington High School are traditionally known for their outstanding ability, leadership, support, and enthusiasm. Very few realize the tremendous amount of work, time, and energy involved in fulfilling their main goal, cheering the team on to victory. The squad has been highly praised for its superior performances at football, basketball, and hockey games.

The various teams can always depend upon these girls to boost the spirit and morale of the fans, no matter what the weather may be. This was displayed to all at the Arlington versus Everett football game.

This year, the Cheerleaders have again been invited to the Massachusetts Invitational Cheerleading Competition to be held at Melrose High School. Regardless of the outcome of this competition, we know that the vivacious girls will have displayed their ability as excellent representatives of Arlington High School. Win, lose, or tie, school spirit will never die as long as the Cheerleaders keep up their good work at Arlington High School.

Row 1: M. Keefe, M. Hill, S. Bowlby, G. Brown *Captain*; K. Cavanaugh, J. Conley, D. Miller. Row 2: D. O'Flaherty, N. Enright, N. Jacobsen, C. Berg, C. Hamilton, N. Whittaker, N. Cottrell *Manager*.

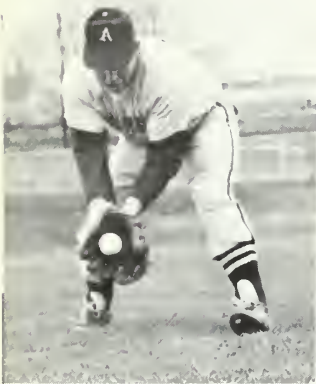

The girls' varsity tennis team, captained by Gail Brown, completed all its matches with no cancellations or postponements.

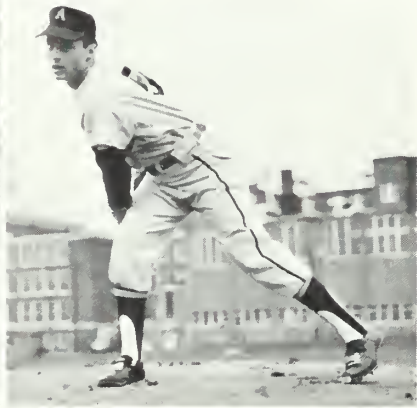

The team won two matches by a score of 4-1 each but was unable to overcome the superior playing of the other teams—products of large squads. Many of the matches were long and strenuous with frequent deuce games.

It is hoped there will be greater interest with next year's squad as seven players graduated this year leaving only a quartet of beginning players for 1966.

Row 1: P. Morse, P. McKinnon, V. Binkoski, M. Whitney, R. Smith, R. DeStefano. Row 2: R. Sheehan, S. Murphy, M. O'Leary, J. Donahue, R. Jorgensen, J. Casazza, E. St. Onge. Row 3: G. Shea, Manager; J. Deveaux, R. Leverone, M. Walsh, A. Healy, D. Buck.

BASEBALL

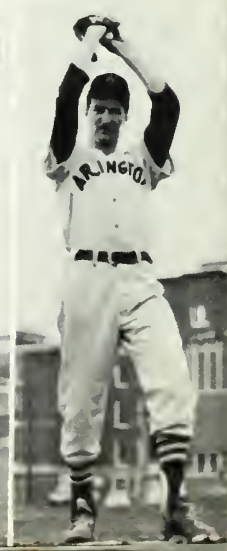

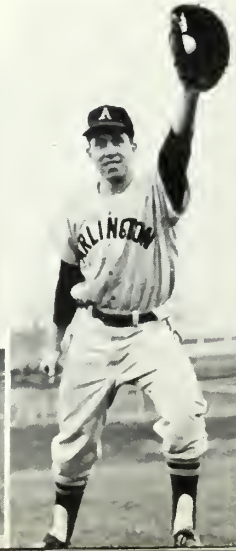

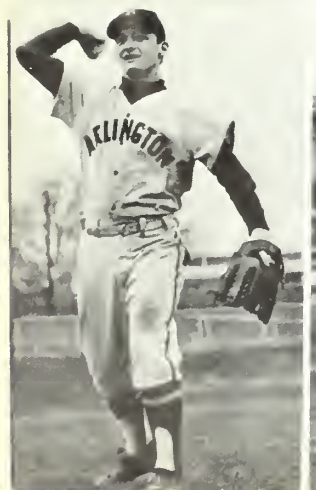

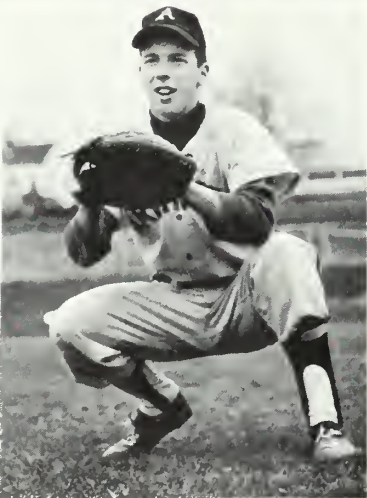

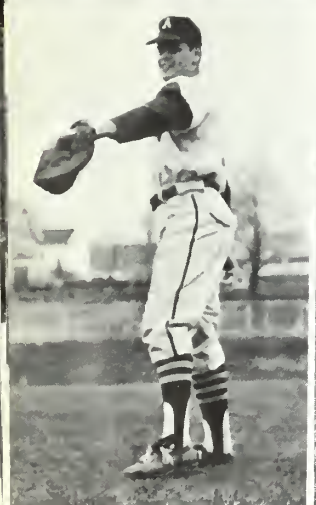

This year's baseball team finished the season with ten wins and eight losses. Beating the best teams in the league, they had some bad luck in the other games.

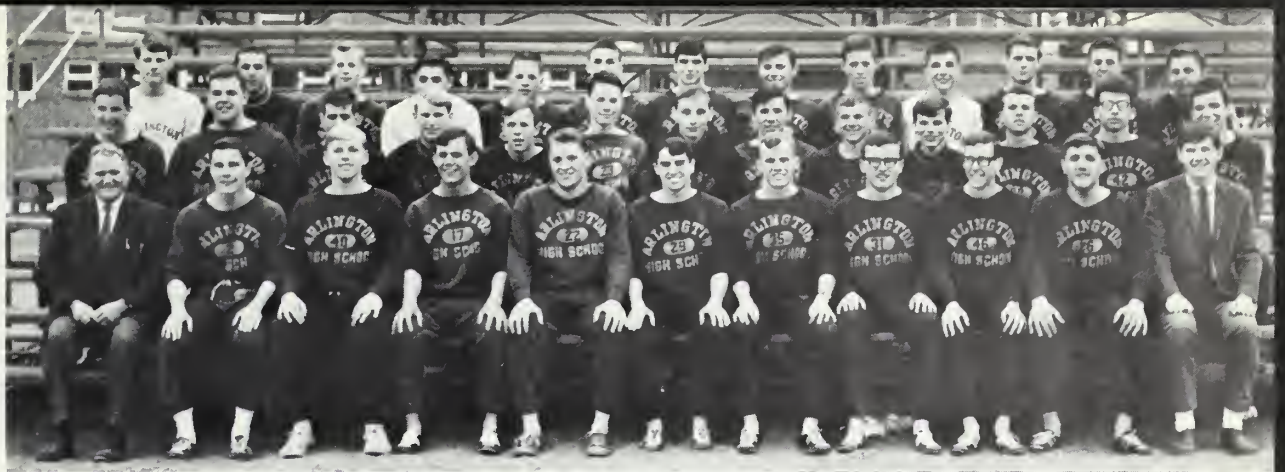

Dave Buck backboned the pitching staff and played second base. Mike Walsh and Rick Sardelletti with Roger DiStefano also helped out on the mound. Andy Healy also did some of the pitching. Mike O'Leary, the iron man of the team along with Steve Murphy did the catching.

Jim Casazza and Bob Jorgensen and Ed. St. Onge did the job at first base. Jim was the regular with Ed and Bob as substitutes. Vito Cucchiara and Paul McKinnon did the work at second base and shortstop. Paul was elected captain of next year's team.

Bob Leverone held down third base. A two-year veteran, he will be greatly missed. Jay Donahue and Richie Sheehan along with Mike Whitney and John Deveaux handled the outfield.

Coach Cavalieri will depend on juniors Vic Binkoski, Gerry Smith and Pete Morse to fill in next year for the departing seniors.

Row 1: James Kelley, *Coach*; R. Gill, R. Alhberg, D. Massucco, F. Vardaro, K. O'Riley, *Captain*; J. Bloodsworth, E. Coveney, J. Tiede, C. Pappas, T. Sullivan, *Manager*. Row 2: O. Larkin, C. TRACK

The Arlington High School Spring Track team was in a very strong league with Weymouth the league champion followed by Waltham.

The following boys placed consistently and were letter winners: Captain Kevin O'Riley in the 880; Bill Matheson in the 120-yard High Hurdles; John Bloodsworth in the 180-yard low hurdles; Bob Webb, Lee Pearson and Bob Gill in the 100-yard dash; Jim Tiede, Dan Kelley and Jim Fratello in the 220-yard run; Bob Fisher and Owen Larkin in the 440-yard run; Tom Spengler and Kevin Fallon in the mile; Paul Morris in the 2 mile.

The field events were led by: Mark Tuller in the long jump; Pete Chalpin in the high jump; Wayne Schwamb, Stan Powalatis and Al Costa in the pole vault; Charles Gott in the shot; Charles Pappas and Robert Oley in the javelin; and Don Massucco, Francis Vardaro and Richard Warrington in the discus. Tom Spengler was outstanding for Arlington as he won the league championship for the mile, placed second in Class "A" and placed third in the entire state for the mile run.

Arlington will have a number of boys returning next season which should improve the record.

SOFTBALL

Row 1: N. Cooney, M. A. Dobie, S. Clarke, J. Rizzo, P. Fitzgerald, *Captain*: R. Mahoney, B. Arena, J. Whitney, B. Farinoso. Row 2: Mary McDonough, *Coach*; B. Cole, *Manager*; S. Cummings, P. Santo, R. Weismann, N. Good, J. Fusco, J. Dumas, B. Govoni, M. Abruzzese, N. Milne, *Manager*.
Quadleft

The girls' softball team came within one game of their second undefeated season in the 64-65 campaign. Melrose pinned a 17-9 setback on the red and gray nine in the fifth game on the schedule. Captain Pat Fitzgerald led the team to a 6 and 1 record and was ably assisted by senior classmates Barbra Arena, Mary Ann Dobie and Judy Rizzo. Batting honors for the season went to sophomore Rose Weismann with an average of .667 as 8 of the starting 9 had averages over the .300 mark. Roberta Mahoney with 4 wins and Marie Abruzzese with 2 wins handled most of the pitching duties while sophomores Betty Farinoso and Jane Whitney did the catching. Susan Clarke, varsity second baseman for the 3rd year turned in another fine season hitting .410 and playing well defensively. Remaining varsity letter winners include: Nancy Cooney, Barbara Govoni, Julie Fusco, and Nancy Good as well as senior managers Betsy Cole and Nancy Milne.

TABLE SETTING CONTEST

For six years creativity through table setting has been fostered among the Home Economics students. Girls that participate in the Table Setting contest select one category out of four, and develop the theme by assembling linen, china, glass, silver, and a centerpiece. These must be suitable and appropriate to a planned menu and all must harmonize in color, texture, and design.

Awards are given to the winners in each category and also for the best floral arrangement as well as for the most original centerpiece.

SAMETTES

Row 1: C. Mazmanian, N. Enright, C. Ceresi, *Captain*; A. Smith, N. Cottrell. Row 2: L. Rossi, C. Camarata, J. McAuliffe, P. Pastore, J. Prince, A. Peters, A. Teeven, C. Cavanagh. Row 3: N. Scott, D. Bird, M. Crooks, D. Sanborn, N. Russell, C. Donnelly, R. Siracusa.

The Samettes have become an outstanding addition to the Arlington High School Band and its half-time show performances during the football season.

Student leader Carla Ceresi worked hard at keeping the girls "in line" and reviewing the intricate dance steps taught by their marvelous instructor Mrs. Bertagna.

The girls, along with their "Uncle Sam Hat", have created exceptional routines which have stimulated added interest and enthusiasm for the band and its colorful halftime show presentations.

MAJORETTES

The Majorettes, with grace and poise, add color and precision to the band and the seasonal half-time football shows. The routines, which require many hours of practice, involve numerous twirling techniques to several musical selections at each performance.

Under the student leadership of Patty Ferolito, the girls were invariably rewarded by much applause from the fans. Everyone has enjoyed the sparkle and pep that the Majorettes have contributed to our football games.

FOOTBALL

The 1964 football squad was as good as any of our previous great Arlington teams of the past. Their record stands at six wins and three losses, a record which is very misleading. Only eighteen points separated the team from an undefeated season.

Serious injuries plagued the squad from the beginning of the season; the squad lost nine tackles and three quarters of the backfield; yet, they continued to play great football.

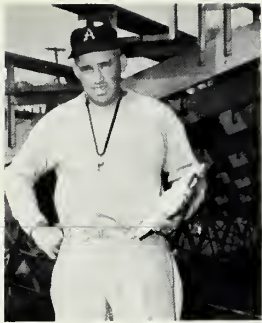

The team was led by two able Co-Captains: Bob Leverone and Clifford Saunders. Charlie Toczyłowski, Dick Sheehan, Ed St. Onge, Mike Walsh, Robert Donovan, Charlie Pappas, and Clifford Saunders were selected for the All-Scholastic Squad in one or more of the Boston newspapers.

Charlie Toczyłowski set a record in scoring for Arlington with ninety-eight points. Dick Sheehan proved to be the best quarterback in the Class A League with his great running and accurate passing.

The season opened with a splendid victory over Somerville and ended with a stunning win over Arch Bishop Williams. The defensive "Tiger" unit really proved themselves to be strong players as they had to stop the Williams' team deep in their own territory on four occasions in the third quarter.

There are twenty-three seniors on this year's squad and nineteen of them take the college course, a fact which is another credit to this fine squad of student athletes who gave us such a satisfying football season.

BASKETBALL

The Suburban Basketball League in 1965 had a very successful season. There was unusual interest in this year's play as all the squads were well balanced with Waltham being slightly superior to all opponents. The Arlington High School team was led by Captain Richie Sheehan, a three year veteran, who averaged over 25 points per game. Richie was among the top five scorers in the League, and was on the All-Suburban League Team for two years.

Dave Buck and Bruce Hall alternated at the other backcourt position. Dave was very fast, a skillful playmaker, and a strong defensive player. Bruce Hall, a veteran of two years, played a steady game, had an excellent set shot, and was deadly from the foul line.

The front court was handled by Cliff Saunders and

Mike O'Leary. Both boys were excellent rebounders; Cliff was a strong defensive player, and Mike was particularly effective as an offensive player.

Tom Quattrocchi and Steve Biciocchi played the center position. Tom had a great jump shot, a good foul shot, and was a strong rebounder. Steve improved tremendously, played a good defensive game and rebounded well.

Gerry Smith, John Cabeceiras, John McKinnon, and Gary Chalas were capable substitutes who will be the nucleus of next year's team. The Arlington High School basketball team of the last three years are grateful to George Shea who served well as manager, scorer, trainer, publicity-man, and assistant Athletic Director.

INDOOR TRACK

At this writing, the Arlington High School Indoor Track Team has a record of four wins without a loss. Leading this very improved team are a number of senior and junior boys. Arlington had defeated Quincy, Somerville, Needham, and North Quincy to this date and still has very strong Watertown, Newton South, and Brockton on the schedule. Arlington will also have runners at the Boston Garden on January 15th for the P.A.A. Meet and on January 30th, for State Meet.

The following boys have been the steady point scorers for the team all season:

1 mile run—Tom Spengler

2 mile run—Peter Thorpe

1000 yard run—Kevin O'Riley and John Donahue

600 yard run—Co-Captain Robert Fisher and Don Hamilton

300 yard run—Co-Captain James Tiede and Dan Kelley

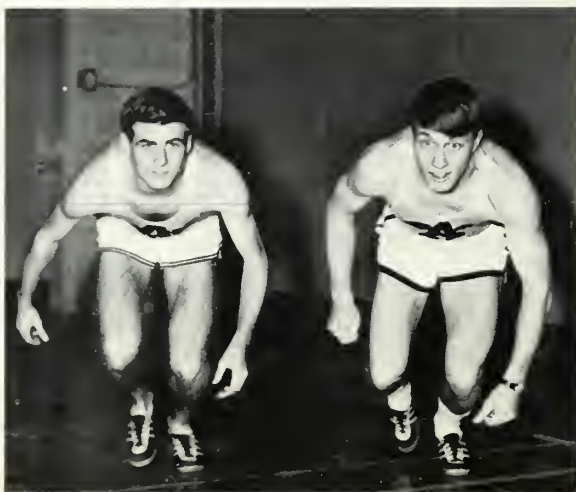

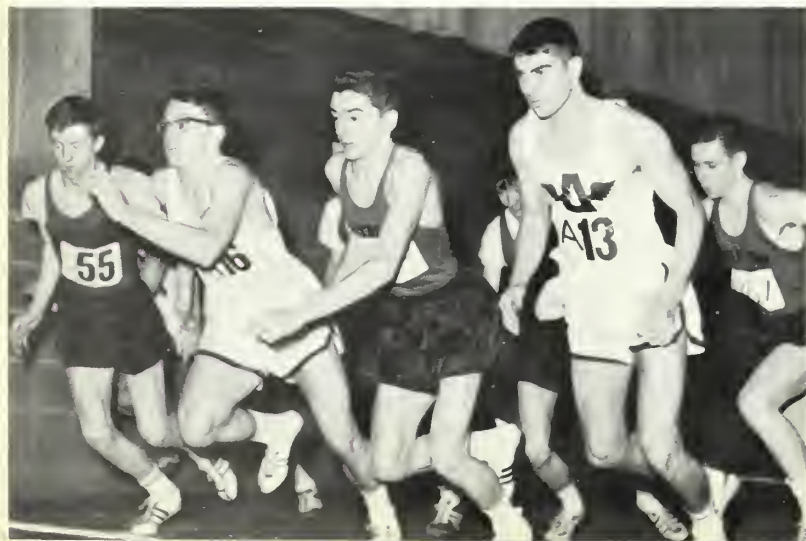

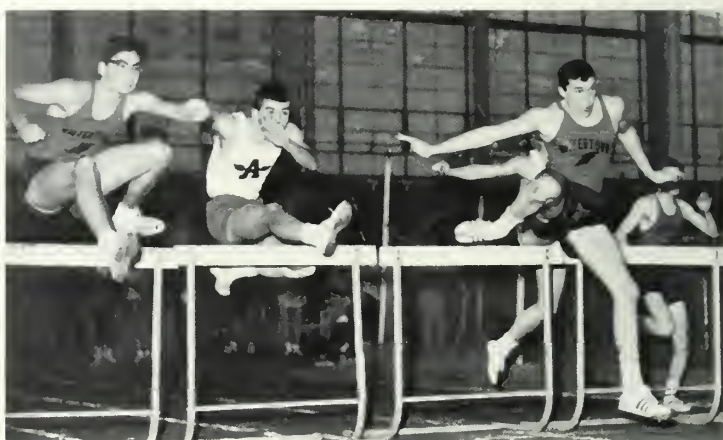

45 yard Hurdles—Richard Derby and William Matheson

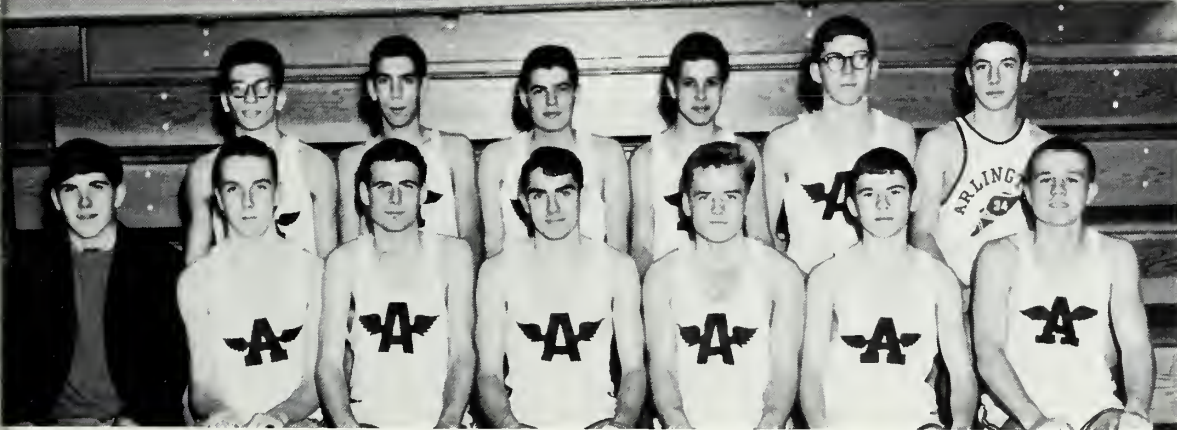

50 yard Dash—Robert Webb and Robert Gill

High Jump—Peter Chalpin

Shot—Charles Gott and Raymond Albergh

These boys have done a very fine job and are working to make this season the most successful since 1961.

CROSS COUNTRY

Row 1: T. Sullivan, *Manager*; J. Greene, T. Spengler, K. O'Riley, S. Powalaitis, *Captain*; J. Walsh, R. Costa. Row 2: J. Fratello, G. Mangurian, D. Dacey, H. Ilong, J. Cullinan, J. Alessandroni.

The Arlington High School Cross Country Team had a record of one win and 5 losses for the season. Many of the meets were very close, but Arlington was not blessed with five runners of equal ability. Junior Thomas Spengler was the outstanding runner for Arlington and showed great improvement over his accomplishments of his sophomore year. Spengler won five of six meets, placed second in another, and finished second in the League meet and fourth in the class "A" State Championship.

The following boys were letter winners for the season: Captain Stanley Powalaitis, Captain-elect Thomas Spengler, Richard Costa, Kevin O'Riley, John Walsh, Warren MacNeil, John Alessandroni and Martin Langer. Thomas Sullivan was the manager and received his letter.

Returning for next season with expectations of an improved year will be four of the eight letter winners.

HOCKEY

The 1965 edition of the Arlington High School hockey squad had four veterans from last year's state championship team. Captain Charlie Toczykowski along with Ed Ronan, Bob Jorgenson, and John Deveaux led the team to another G.B.I. Championship. This was the first undefeated team in the history of Arlington High hockey. The team showed tremendous ability and team spirit in order to beat out a great and experienced Newton Club. The other seniors that deserve a lot of credit for their hustle are Bob Bertagna and Fred Dolan.

The league record was 13 wins, no losses, and one tie. Another record that this team established was to tie last year's record for shutouts. Bob Brescia, a junior goal keeper, had ten shutouts for the year.

This group of senior skaters have won three consecutive G.B.I. Championships and have been in the finals of the State Hockey Tourney for the past two years.

The team has now entered the 1965 State Hockey Tourney to defend its state title won last year. In the opening game against Marion High School, Arlington won by a score of 4 to 2 with Charlie Toczykowski getting all four goals. This year's team will be one of the top favorites along with Melrose High School in the tournament.

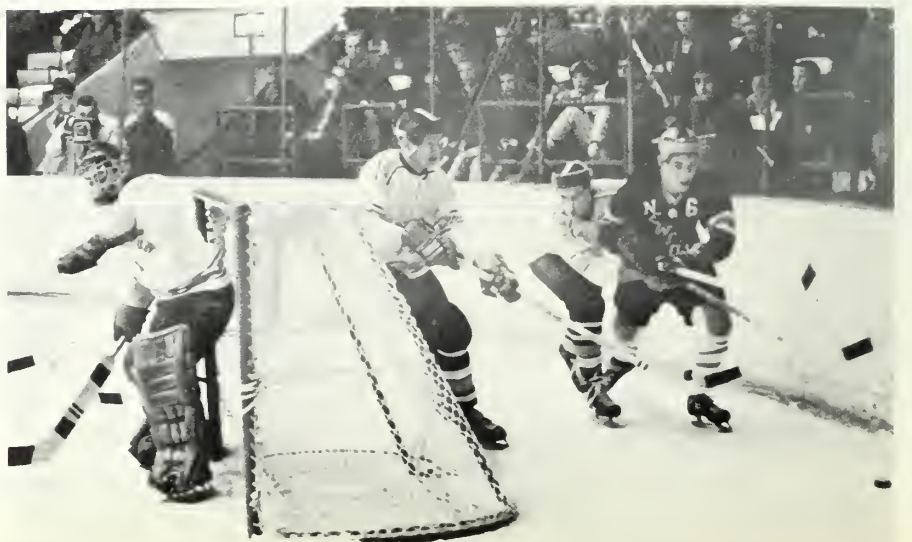

Other honors that the team has won was to have Charlie Toczykowski and Bob Brescia picked for the G.B.I. all Scholastic First Team along with John Deveaux and Bob Jorgenson on the second team.

GOLF

G. Thompson, R. Berberian, K. Diskin, P. Flynn, J. McKinnon, C. Glennon, K. Gurney.

The Arlington High School golf team is looking forward to a successful season with the return of a veteran squad. With all their members capable of scoring below 90, the A.H.S. squad could lead the Suburban League. The strongest opposition should be provided by Waltham and Cambridge Latin.

The A.H.S. team is led by Captain Ken Diskin who has been an outstanding player for two years. Ken scores around 80 consistently. He is a strong competi-

tor and putts well. Seniors Richard Berberian and Charles Glennon both score well and have had two years of experience. John McKinnon, a junior, a long ball hitter, is a very valuable addition to our squad. Sophomores—George Thompson, Kenneth Gurney, and Paul Flynn—gained experience last year and should strengthen the Arlington golf team. Considering all these factors, the golf team looks forward to a successful season.

SKI CLUB

Helen E. Stockman, *Sponsor*; E. Searles, *Chairman*; J. Kimball, *Secretary*; C. Berg, *Treasurer*; S. Cianciolo, *Secretary*; J. Hayes, *President*.

The ski club began an exciting year with John Hayes elected as president. With a membership of 230, and under the enthusiastic direction of its officers, the ski club held four major meetings with lectures and films on skiing. Instruction to beginners was given at the Winchester Country Club, by veteran members. Trips

to Mt. Snow during Christmas and February vacations, a dance, the profits of which went to the March of Dimes, and finally a banquet in May, made this year one of the best yet for the Arlington High School Ski Club.

GYMNASTIC TEAM

A new sport was introduced at Arlington High School this year. Arlington competed in dual gymnastic meets for the first time on a varsity level.

Led by Captain Robert Pochini the team went on to win five meets while losing three. Captain Pochini placed first in six consecutive meets until an injury sidelined him for the remainder of the season.

The team itself performed very well and next year the boys hope to improve on this year's admirable work, under the direction of Coach Harold B. Fairbanks.

Row 1: B. Arena, P. Sedoff; B. Cole; M. A. Dobie, *Captain*; J. Rizzo; N. Whittaker; P. Fitzgerald; P. Whitehouse; S. Banks. Row 2: B. Farinosa; C. Cole; J. Whitney; S. Clarke; J. Dumas, N. FIELD HOCKEY

The 1964 field hockey team went through its season undefeated with a record of seven wins and one tie. Led by *Captain* Judy Rizzo a starting line-up of nine seniors and two juniors raced through an eight-game schedule scoring twenty seven goals and allowing only six. Pat Fitzgerald was the team's leading scorer with ten goals, followed by Susan Clarke, and Barbara Arena. Outstanding on defense and playing a major role in the team's success were: Betsy Cole, Mary Ann Dobie, and Judy Rizzo. Seniors—Sandy Banks, Nancy Milne, Pixie Sedoff, Pat Whitehouse, Nancy Whittaker—and junior Jayne Dumas—complete the list of varsity letter winners. Barbara Ilchuk and Joan Proctor handled the managerial chores in fine fashion.

The "jayvee" team had a record of four wins, two losses and two ties which is the best any junior varsity team has done in recent years.

GIRLS' BASKETBALL

Captain Barbara Arena and Susan Clarke were the offensive leaders of the 64-65 girls' basketball team which finished the season with a 5 and 3 record. As Barbara and Susan shared the scoring honors the trio of Sandy Banks, Mary Ann Dobie, and Jayne Dumas handled the defensive assignments. By mid-season Judy Rizzo and Betty Farinoso were settled in the varsity starting line-up and turned in many fine games. Pat Fitzgerald and Barbara Govoni complete the list of varsity letter winners who managed to have one of their better seasons in recent years. Seniors Maria Bottoni, Barbara Ilchuck and Debbie Smith played well for the junior varsity unit which finished with a record of 3 wins and 5 losses.

Four members of the '65 varsity will return next season along with jayvee prospects June Collins, Jane Whitney, Rose Weismann, Marilyn Farese, Margie Crooks, Maureen Dorrington, Joyce Garfield, and Connie Cole.
